

# KCSEA, FOP and Sheriff Norris

The KCSO Employee’s Association (KCSEA) is Sheriff Norris’s strongest backer. Unfortunately, it is under the control of the FOP, a Masonic Fraternal Order with a long history of promoting RINOs and big-spending liberals.

Here are a few things that **Every Conservative Should Know about KCSEA and FOP.**

- The KCSO Deputies Association (KCDSA) has existed for many years, but never endorsed a Sheriff candidate until 2020, the year it became affiliated with the Fraternal Order of Police (FOP).
- In order to allow for political activity, KCDSA changed its tax status and was rechartered as the KCSO Employees Association (KCSEA), Idaho FOP Lodge #43. **Norris was their first endorsement.**
- The FOP is a pro-government, globalist, political lobby associated with Freemasonry, **known for promoting RINOs.** In 2022, KCSEA-FOP endorsed establishment favorites Riggs, Malek, and Addis for State Offices, and Mattare for County Commissioner.
- In May, KCSEA sent out a **Fraudulent Flyer** endorsing RINO Precinct leaders, and **Norris denied involvement.** But given that many KCSEA leaders are in Norris’s inner circle, it is hard to believe his denials. Recent KCSEA-FOP presidents include:
  - **Lt. Zach Sifford** is KCSO Public Information officer and writes Norris’s press releases
  - **Sgt. Nick Franssen** is KCSO Community Outreach coordinator. He organizes Norris’s town halls and public meetings.
  - **Capt. Jeremy Hyle** is head of the KCSO Jail Bureau and is on Norris’ command staff.
- KCSEA-FOP leadership also has close relations with Mattare, Norris’s 2020 Campaign Manager. **Mattare’s wife has administered the KCSEA Facebook page since 2019,** and Bruce oversaw KCSEA’s advertising campaign in the CDA-Press.
- In 2020 KCSEA-FOP waited until after it hosted a candidate forum before it endorsed Norris. But in 2024, it **endorsed Norris without any public forums, interviews of other candidates, discussion of issues, or full-membership votes**—five months before the candidate filing deadline.
- Under the influence of FOP, KCSEA has been entirely politicized. Now Norris is politicizing the Sheriff’s Office, filling important offices with loyalists and FOP activists.
- The KCSEA-FOP leadership is so attached to Norris it cannot even consider the possibility that anyone else could hold the office. So it **based his endorsement on a member survey taken with no other candidates on the ballot, before the election season started.** The FOP is a Farce!!
